## New Collections from Accessible Archives

*Freedmen's Record. Boston, MA 1865–1874  
and The Negro Business League Herald.  
Washington, D.C. 1909*

Post-Civil War, the Northern populace provided opportunities for Freedmen by funding relief efforts in the South and African American businesses were being established.

*The New Citizen. Seattle, WA 1909–1912, Western  
Woman Voter. Seattle, WA 1911–1913, and The  
Remonstrance: An Anti-Suffrage Periodical.  
Boston, MA 1890–1913*

Women's suffrage found ready acceptance in the West where women received voting rights, although not all women favored universal suffrage.

*American Military Camp Newspapers. 1916–1920*

American Military Camp Newspapers provides users with unparalleled access to unique sources covering the experiences of American soldiers during the mobilization period in 1916, in the trenches in 1918 and through the occupation of Germany in 1919.

# No shortage of *Drama*

A one-of-a-kind digital record of the American stage spanning 80 years

**Nineteenth-Century  
American Drama:**  
Popular Culture and  
Entertainment, 1820-1900

In the 19th century the number of U.S. theaters grew a hundredfold as they became the most popular form of entertainment in America. Romance gave way to realism as the stage became a platform for social and political commentary. This remarkable new collection contains domestic drama in its myriad forms—plays, melodramas, political satires, black minstrel shows, comic operas, musical extravaganzas, parlor entertainments, adaptations of novels and more—and provides extraordinary insight into American politics, culture and daily life.

**AUTHORITATIVE AND UNRIVALED**

**THE ESSENTIAL TOOL FOR RESEARCH IN THE BRAIN  
AND COGNITIVE SCIENCES.**

- 750+ MIT Press books, 12 essential reference works, 9 journals
- DRM-free content
- COUNTER4 usage reporting
- MARC records compiled by the MIT Libraries
- New MITECS (*The MIT Encyclopedia of the Cognitive Sciences*)-based taxonomy for better browsing
- Google Scholar and PubMed LinkOut Indexing
- Citation tools
- Responsive web design for an optimal viewing experience on any device

**WHAT FACULTY ARE SAYING ABOUT MIT COGNET**

“MIT CogNet is a great resource that gives me comprehensive access to MIT’s fantastic monographs in philosophy of mind, psychology, and neuroscience.”

—**Wayne Wu**, Center for the Neural Basis of Cognition, Carnegie Mellon University

“MIT CogNet is an absolutely crucial repository of some of the best reference and research material in the cognitive sciences. The resource is integrated into a number of our cognitive science courses here, and it is one of the first places my students go for independent research. And having immediate, searchable, access both to some of the definitive reference works in the neurosciences published by the MIT Press and to the most relevant MIT Press journals is for me a vital aid to both teaching and research.”

—**Michael Anderson**, Department of Psychology, Franklin & Marshall College

**START YOUR FREE 30-DAY TRIAL NOW**

# The Benefits of Peer Review

## VISIBILITY

Work is scrutinized by editors and reviewers who are respected active researchers in their field. This leads to networking opportunities, often in niche areas.

## IMPROVEMENT

Reviewers call attention to areas of weakness in research or writing, helping the researcher deliver a top-quality publication.

## ACS TIME TO PUBLICATION

\*Powell, K. Does it take too long to publish research? *Nature*, **2016**, 530, 148-151.

“Peer review on the whole adds significant value to a journal. The process provides a quality check to the articles, informs authors on important methods to improve their study design and writing, and helps inform editors on the publication priority for a variety of articles.”

Subinoy Das, MD

## REVIEW TIMELINE

During the review process, manuscripts may be declined at multiple stages.

# RELIABILITY

Trustworthy. Dependable. Under the same ownership for more than 50 years, Midwest Library Service is dedicated to providing an unparalleled level of support to academic and public libraries.

Our record speaks for itself. With an unwavering commitment to complete order fulfillment, we take great pride in our longstanding reputation for exceptional, personalized service to our customers.

Here's what this means for you:

- An expert staff of sales & library service representatives with decades of industry experience
- Single internal & external contacts assigned to assist you
- Personalized service; no automated responses or phone menu
- Timely order fulfillment from stock or publisher
- Accurate, honest status & fulfillment reporting
- Compliance with your cancellation policy; not ours
- Free web-based order system & notification service
- Out-of-print book service with global search capability
- Customized invoicing, packing & shipping
- Full processing capabilities
- ...& much more!

*Midwest Library Service is your reliable link to satisfaction in a rapidly changing industry environment.*
